Thanks, Dan.

From now on I will remember that "narrow or focus" is the same as "narrow." Also, I'm curious as to whether it's 1400 pages or 1400 documents approximately that you found?

Thanks again,

Since your request includes a 17-month time frame, and the initial search of documents within that time frame produced approximately 1400 documents, I wanted to give you the opportunity to refine your request to a narrower window of time, which would enable us to complete the request more quickly. I'm sorry if that wasn't clear.

We will continue on this request with the timeline (expected completion by 12/31/19) I provided this previous Friday.

Best Regards,
